I Dreamed a Dream

Denis

Paul Potts, Susan Boyle and Denis Zakharenkov all have one thing in common; the enemy has tried to steal their dreams.

Susan Boyle and Paul Potts are not unlike the youth that we minister to in Russia. Both have experienced challenges that nearly derailed them from fulfilling their dreams.

Susan Boyle stepped on to the stage of Britain's Got Talent and stunned the audience as she sang the following lines; **I dreamed a dream in time gone by when hope was high and life worth living... So different now from what it seemed now life has killed the dream I dreamed.**

Susan explained that "circumstances at home" had previously kept her from pursuing a career in singing, but suddenly life has changed as she seemingly became an overnight sensation with nearly 100 million views on the Internet in the first nine days.

Opera singer, Paul Potts, another contestant of the same show is a wonderful example of how people can overcome suffering by bullies in their youth and a dysfunctional home life. According to the Daily Mail newspaper, "He was hideously bullied at school, there was no real escape at home with two warring parents together with his three siblings . . . Under his hair, he still bears seven scars from this time. Paul used to blame himself."

Denis Zakharenkov is often bullied both at school and on the street, and at home has had to face the challenges of a dysfunctional family. He often comes to Restoration House to spend just a few days where he can recover from his tormented life and begin to dream again.

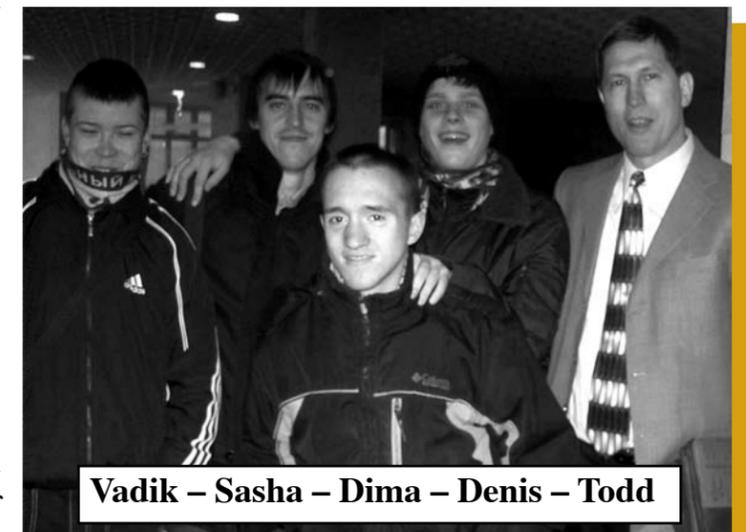

Denis has expressed many times that he feels like a misfit. For whatever reason, he does not feel that he fits in at home, at school and not even among the youth on the street. He feels hopeless and confused most of the time.

Roma, our newest staff

member was asked during his interview before coming to work with us, what he felt that these kids needed most. Because he lived on the streets at one time he knew the answer to that immediately; "They need to learn how to dream again."

According to Jeremiah 29:11, God has a plan for each one of us that includes a successful life and a future filled with hope.

Todd noticed that each time Denis comes to the house that he likes to cook. He mentioned it to Denis and suggested that he should become a chef. The other guys laughed at the prospect because this is a street kid with no education, no financial backing and until now, no one to encourage him. Todd proceeded to talk to him about the idea of owning his own restaurant some day, but the only response was unbelief that it could ever be

Vadik – Sasha – Dima – Denis – Todd

Olga – Ilya

Lives are not only being changed at Restoration House, but also through the continued outreaches to kids who are still living on the street and to those who we work with through a joint effort with our local government. These outreaches afford us the opportunity

possible for him.

Several months passed before Denis was back to the house. The moment he discovered that Todd was there he asked, "When are we going to get that restaurant?" Hallelujah! Denis has begun to dream again. And, we believe that it IS possible for Denis to be a success in life and even own his own restaurant some day.

As these youth in crisis spend more and more time at Restoration House, they are learning how to dream again.

Sasha wrote concerning Ilya; "Yesterday night we had a great fellowship together. Roma asked the guys what they want from their life. Ilya shared his desire to become a preacher and visit people in prison. He asked what it takes to become a pastor. Every time we pray, Ilya is praying for those people who are in prison now. He is often thinking about that. His heart is for these kinds of people."

Vitya continues to pursue his dream to become a mechanic and own a garage. Vadik desires to work with youth and children some day. **YOU ARE making a difference!**

to continue our efforts to assist in building lives for the future and helping them dream again.

The report from the Gatchina Administration is overwhelming. Sasha told us that until they partnered together with Micaiah Ministries, only 2-4 youth would visit the crisis center each week. We began feeding them and helping to sponsor parties and other programs in May 2009. Since that time, according to Sasha, 3695 youth have attended the Leisure Room.

Vitya

Together, we ARE making a difference... Together, we ARE reaching the world for Jesus!

Some of the topics that are discussed at the Leisure Room are; discovering your potential, confident behavior, HIV prevention, alcohol and substance abuse, a healthy lifestyle, vocational-oriented education, and more. And most important, Sasha said, "Each time when they came to the room they had a chance to hear the Good News. They heard the word about Christ and His love towards them." Youth are discovering that when a life is yielded to Jesus Christ, dreams can be fulfilled!

We have enough sponsors for 56 youth - our goal is 100.
